**Recycling Depot - Container**

Steve reported that even though there is not suppose to be recycling containers at the landfill site, many ratepayers bring their recyclables. He has therefore put some containers there. These are now constantly overflowing and he would like to purchase roll off containers. The Waste Recovery Center or Beauman would pick them up at a price of at least \$100.00 a pick-up. The price of these containers would be approximately \$10,800.00 plus tax and freight. A ramp would also be needed at a price of \$3000.00 to \$4,000.00.

Much discussion took place on the subject. As the Township has a costly curbside recycling pick-up program, several Councilors felt that this would defeat this program. Councilor Cobb suggested bringing the subject up again at budget time.

**Adjournment**

Moved by Daryl McLaughlin, Seconded by Donald Rathwell

**“Be it resolved that the Township of Whitewater Region Waste Management Committee dated February 6 2008 be adjourned at 3:45pm.”**
