Letter of Concern – McLaughlin Road

Discussion and review of the Road maintenance policies & year end report. Road superintendent prepared a letter that would be sent to residents regarding beaver control.

Discussion on the idea that people are using it as a shortcut between Beachburg Rd and Zion Line. Thought that maybe a sign would help.

Chair asked what possibilities we might entertain.

Deputy Mayor Lowe made comments on the usage of McLaughlin Rd.

Councilor Trimm spoke stating that we should consider what they are asking for and possibly do some of it.

Consensus that it be placed on the 2010 maintenance schedule.
