Mayor Johnson requested that there be something done to correct the issues with the flag that keeps getting tangled in the power lines at the Forester's Falls Library. Doug Schultz advised that he will look into fixing the problem.

7. **Delegations –**

1. Presentation to Donald Rathwell

Mr. Don Rathwell was presented with the Senior of the Year Award as voted on by Council for his many years of service on the local council as well as all of the volunteer work that Mr. Rathwell has conducted over the years to benefit our region.

2. Presentation to Fire Chief Heubner – Fire Safety Council

Peter O'Gorman attended the meeting to present Fire Chief Wayne Heubner with a \$5,000 grant from Project Assist in order to facilitate the purchase of educational materials in an effort to support a safer Whitewater Region and to enhance our training efforts.

3. Charles Cheesman, Planning Services Manager, Renfrew County & CBO Doug Schultz & Robert Lynch – Part Lot 17, North Front A, Westmeath rezoning – Deleted item

4. Steve Boland, Director of Public Works & Engineering, Paul Moreau, Director of Development & Property, Renfrew County – Updates

Mr. Steve Boland and Mr. Paul Moreau attended the meeting to provide updates on capital works projects in our area which include the rehabilitation of Beachburg Rd. which should be completed by wintertime. The County has structured the timing around the IICF Kayaking Championship and therefore, the project has a later start date. The total cost of the project which includes shave and pave, curb improvement, catch basin and culvert work from the bridge to Jamieson subdivision. The total cost of the project is an estimated \$320,000.

Another topic of discussion was active transportation. Mr. Moreau discussed with Council the strategy for active transportation on County roads and discussed the "Share the Road" initiative. The County is in the process of developing a long term plan for active transportation and is urging Whitewater Region to consider active transportation when redoing our roadways. Mr. Moreau pointed out our Region has the highest number of cyclists in the County. There are many eco-tourism benefits behind active transportation and bringing people into our region has an economic benefit for all. The County is looking to be competitive with other municipalities in Eastern Ontario and attracting tourists to Renfrew County.

Mr. Boland and Mr. Moreau stated that in August, Renfrew County will draft a new trail initiative that will include the County forests, CP Rail, KP Rail and CN Rail trails to be included with the active transportation initiative.

In conclusion, Mr. Boland and Mr. Moreau wanted Council to know that they are always available for assistance or to answer questions. Reach out anytime.

8. **Departmental Reports – Treasurer, Public Works, Building Dept., Environmental Services, Fire Dept. & Reeve**

WHITEWATER REGION DEPARTMENT REPORT

DEPARTMENT: TREASURER

MONTHLY ACTIVITY: May 2015

2015 BUDGET

During this year's budget process, certain purchases/funding was brought forward to the table for discussion near the end of May. In an effort to reduce some of this last minute rush and as a method of trying to pass the budget earlier in the year, I propose that budget capital projects and funding requests be brought to council's attention near the end of November 2015 by all departments, boards and recreation associations. This should allow time for review and discussion and enable the budget deliberations to start earlier. (Resolution attached for consideration)

2015 CAPITAL PROJECTS

Work has begun in the preparation for the capital projects that were passed in the budget for each department. The ladder on the administration building has been installed.

2014 FINANCIAL INFORMATION RETURN

The important factors regarding the FIR to name a few;

- It is an annual municipal Financial Reporting to the Ministry of Municipal Affairs & Housing
- The FIR is used for grant Policy and Allocations
- Municipal borrowing capacity
- The information provided in all schedules should be derived and be able to trace back from the audited financial statements.

I have provided you a copy of one of the most important FIR schedules that we pay close attention to. That is schedule 81. This schedule indicates what the Township's borrowing capacity is for the 2015 year. Taking into consideration our current debt (principal and interest) in 2014, we have a \$1,322,657.00 wiggle room to service debt.

WHITEWATER REGION DEPARTMENTAL REPORT

DEPARTMENT: Public Works Department

MONTHLY ACTIVITY: May 2015

The month of May has been busy doing many different jobs.

Plows were washed and painted and put away for the summer

Sweeping of streets was completed this month.

Cold patching, brushing and grading is ongoing

Clean up of trees and damage from a wind storm we received, as well as cut down and clean up a few trees that were potential hazards leaning over the roads

Docks were put in the water in Lapasse and Cobden

All flower pots, benches and garbage containers were placed in their regular areas.

Repaired two washouts along the edges of roads

Cleaned out blocked catch basins that were not allowing the rain water to drain way from the road surface.

Rehabilitation of areas of past water breaks

Grubbing (removing tree roots and stumps) of areas where brushing was completed during the winter

Touched up areas with dry calcium where we have problems with dust, until the liquid calcium is put down.

WHITEWATER REGION DEPARTMENTAL REPORT

DEPARTMENT: Building and By-law Enforcement

Date: June 11, 2015

WHITEWATER REGION DEPARTMENTAL REPORT
DEPARTMENT: Environmental Services Department
MONTHLY ACTIVITY: June, 2015

The Environmental Services Department is participating in Bi-weekly conference calls with BEI, J.L. Richards and Jp2g on Wren Subdivision progress.

An investigation of the Morton Street Lift-Station was carried out to determine capacity and pumping capability for the Wren Subdivision. Awaiting calculation results.

Sanitary Sewer Flow Monitoring continues.

Cast-in-place sewer repair prep-work is underway along Highway 17.

Application for Drinking Water System License renewals has been submitted to the Ministry of Environment and Climate Change (MOECC). MOECC is requesting an updated Financial Plan...as expected. To initiate the application process, the Department had to submit the original Financial Plan.

Product Care Association is now handling funding claims for collected Paints, Stains and Coatings from Municipal Hazardous Waste Depots and Events. Stewardship Ontario Orange Drop Program no longer covers these products. If the Municipality wishes to receive funding for the collection of these materials we will have to enter into an agreement with Product Care Association.

The Ross Landfill is now set up with an outlet for Blue Box materials from residents.

For the Month of May

In May, I attended County three times: Development and Property Committee on May 12, 2015, Finance and Administration Committee on May 19, 2015 and the regular Council meeting on the May 27, 2015.

The Development & Property meeting was held at Renfrew County Place in Renfrew this month. This was to accommodate the ceremonial ground breaking for the new OPP facilities soon to be constructed there.

At the regular Council meeting on the 27th, a presentation to council was made by the Algonquin Forestry Authority who are marking their 40th year in operation. Although AFA is a Crown Corporation, it operates very much like a business by way of harvest and distribution to many local mills. With an annual budget of approximately 20 Million dollars and a staff of 23 they are able to balance these activities along with the many other uses for the park such as wildlife, recreation, youth camps, research, cottages and Aborigines who hunt, fish and gather. Algonquin Park accommodates approximately one million night visitors per year. This was a very informative presentation by Jeff Leavy (GM) and Dave Stewart (Chair). An official marking of this anniversary will be held at the Logger's gates (East gate) to Algonquin Park on July 25, 2015.
