Stormwater Impacts

A grant application was submitted to the Province under the Places to Grow program.

Benches

They were ordered for village and hamlet main streets. Cobden will be keeping its existing furniture as requested by a community group.

Closed Sessions

Council discussed HR matters and received a training session on development charges.

Cobden Astrolabe Arena

The preliminary design for the dressing room/library addition, and accessibility improvements was discussed.

Covid-19

Service disruption and cost containment reports were received on the pandemic.

Online Pilot

Dog tags can now be purchased on the Township's website.

Beachburg Scotiabank

Council expressed its opposition to the closure occurring in June 2020.

Community Safety & Well-Being Plan

The mandated plan is being prepared with OPP Detachments and area municipalities.

Westmeath Parkette

The Township is moving forward with a land donation at Gore/Rapid for the establishment of a parkette in honour of the Laderoute-Goyer Family.

Environmental Updates

An update was provided on the progress of the Cobden Wastewater Treatment Plant project. Annual reports were received for water plants. Updated airspace projection for landfill was received.

Severance Applications

Applications were considered for Grants Settlement Road (B68/19, B69/19 and B70/19), Queen's Line (B78/19), LaPasse Road (B101/19), & Astrolabe Road (B07/20 and B08/20).

Mayor's Business Breakfast

This event was planned to outreach to the business community in collaboration with the Upper Ottawa Valley Chamber of Commerce. Unfortunately, it was cancelled due to the pandemic.

Flooding Study

The Township participated in the University of Waterloo's study titled "How disaster feels: the cascading effects of time and experience on perceptions of risk, response and recovery".

Taste of the Valley 2020

The Township will continue to host the Whitewater Region edition in Cobden.

Growth Projections

These were received for the water/wastewater and growth studies.

Service Delivery Reviews

The RFP was awarded to Dillon Consulting for the Parks & Recreation Operational Review and joint service delivery review with the Local Efficiency Group municipalities.
