

Township of Whitewater Region

EMPLOYMENT OPPORTUNITY

Located within the scenic Ottawa Valley and bordered by the Ottawa River, the Township of Whitewater Region is a dynamic place to live, work and play. Known worldwide for whitewater rafting and kayaking, we offer a variety of year-round activities such as golfing, snowmobiling, camping, boating, fishing and cross-country skiing. From our vast acres of farmland with livestock grazing in the fields to our small, unique hamlets and villages to our wide expanses of water glistening under the summer sun, the Township of Whitewater Region invites everyone to experience rural and urban life in perfect harmony.

Roads Lead Hand

Reporting to the Roads Superintendent, the Roads Lead Hand is responsible to provide day-to-day supervision and assist in the coordination of all road activities and operations. This includes supporting the administration of a comprehensive program of construction and maintenance of public roads and assists within the road corridor to meet Minimum Maintenance Standards.

Position Qualifications:

- Grade 12 or equivalent, combined with three years of public works or road construction experience.
- Course in T.J. Mahoney Roads School and/or C.S. Anderson Road School required or willing to obtain.
- Certified Road Supervisor (CRS) designation preferred or willing to obtain.
- One year supervisory experience, with demonstrated ability to lead strategically and direct staff.
- Previous experience with asset or project management.
- Construction and maintenance of public works infrastructure knowledge, best practices, methods, materials and equipment including procedures, principles and practices pertaining to traffic control.
- Good interpersonal skills working in a team coupled with an ability to communicate effectively in both oral and written forms.
- Excellent project/time management and problem-solving skills.
- Ability to work independently including working remotely in the assigned corporate vehicles and equipment utilizing technology and other work tools to ensure operations are conducted in an efficient, effective, and safe manner.
- Experience operating light and heavy equipment.
- Water Distribution and Wastewater Collection or construction knowledge would be considered an asset.
- Ability to be on call 24 hours per day with flexibility in hours of work.
- Basic computer proficiency and report writing are required.
- Valid Ontario Driver's Licence "G" with preference of "DZ", in good standing.
- Working conditions include exposure to physical hazards and inclement weather conditions such as blizzards, white-outs, ice storms, fog, etc.

Compensation: \$29.87 to \$34.61 per hour – 40 hours per week, with OMERS and benefits package
