

WELCOME TO THE 2026-2030 TERM COUNCIL

NOVEMBER 16, 2026

The Township of Whitewater Region welcomed the newly elected and acclaimed members of the 2026–2030 Council at the Inaugural Meeting on November 16. Joined by family and friends, Council members were officially sworn into office, marking the beginning of a new four-year term.

In his remarks, Mayor Neil Nicholson expressed his excitement for the term ahead and thanked the families and friends of Council members for their support throughout the election and as they begin their new roles. He also reflected on the people, connections, and community spirit that make Whitewater Region such a special place.

“I believe in Whitewater Region, I believe in its people, and I believe in its future. When I think about why it matters to me, I think about the volunteers working in the arenas and curling clubs preparing for the season, community organizations organizing events that bring our community together, about our volunteer firefighters who leave their families in the middle of the night to respond to a call. I think about neighbours helping neighbours, delivering Meals on Wheels, or checking in on someone who needs a hand. Those are the moments that remind me of what makes Whitewater Region special. It’s not a building, not a road, not a beautiful landscape. It’s the people. And it’s the willingness of ordinary people to do extraordinary things for one another.”

The Township also extends its appreciation to outgoing Council members Mark Bell, Cathy Rieger, and Joey Trimm for their contributions during the previous term. Thank you for the many hours of service, thoughtful discussions, debates, and difficult conversations that helped move the Township forward.
