RECREATIONAL VEHICLE REGULATIONS

By-law #19-11-1225

A Recreational Vehicle License is required if you wish to use and/or occupy a recreational vehicle on any property that is zoned Rural (RU) or Waterfront Vicinity (WV) and between the months of May 1st to October 31st of any given year.

Applications are available on the Township website under the "Permits" section on the homepage.

Fill out the application and return to the municipal office along with the required site plan.

If approved a \$300.00 fee will be required

Recreational Vehicle Licenses must be renewed annually.

It is the owner's responsibility to ensure the recreational vehicle is connected to a sewage system that meets Ontario Building Code or its internal holding tank

For more information contact Carmen Miller, Clerk at cmiller@whitewaterregion.ca or 613-646-2282 ext. 123

- Pembroke Holiday Edition - Saturday, December 16

Vendor applications are now open. For more information or submit your application visit www.totv.ca

BURN PERMITS

RECREATIONAL BURNS

Recreational burns (campfires) are to be contained in a fire-resistant enclosure of metal or stone. These types of fires can be no larger than 2' by 2' by 2' or 60cm by 60cm by 60cm. Fuel must only consist of dry untreated wood, no pressure treated lumber or plywood, no grass clippings and never any garbage.

OPEN AIR BURNS

Open air burns are for the disposal of small amounts of dry brush. Open air burning must take place from sunset to sunrise unless an exemption has been granted by the fire chief or designate. This is due to the typical decrease in temperature, increased humidity and a drop in wind speed overnight.

Open air burns must be no larger than 6' by 6' by 6' or 2m by 2m by 2m. Fuel must consist of dry brush or untreated lumber only. Garbage and the burning of hay is not permitted due to the environmental impact and the smoke disrupting neighboring properties.

AGRICULTURAL BURNS

Agricultural burns are for large scale fencerow clearing or other similar situations. These permits require a site visit by the fire chief or designate to ensure safety and by-law compliance.

SAFETY TIPS

Always have a means to extinguish your fire nearby. This could be a garden hose, fire extinguisher or shovel and dirt. Never leave burns unattended, even for short periods of time. Garbage is never permitted to be burnt. Please take all garbage to the landfill located at 990 Kohlsmith Road (Wednesdays & Saturdays 8am-2pm)

Before every burn call 1-855-922-2652 to register your burn and to confirm there is no restrictions in place.

Burn permits can be created at <https://wwr.burnpermits.com/>. 2023 Permits are valid until December 31, 2023
