WHITEWATER BUSINESS SURVEY

This survey and the results will help create economic development strategies for the Township and to help support existing Whitewater businesses. The feedback will also help the Township focus efforts on any problems to help the Business community thrive and grow. The survey can be filled out in an interview format by speaking directly with staff and project volunteers or filled out online in a digital version. The digital version of the survey takes approximately 30 minutes to complete. This version can be stopped and restarted as convenient. The interview version is a personal discussion directly with staff and volunteers. Paper copies of the survey are available upon request.

To take part in the Business survey, contact Scott Hamilton, Business Outreach Officer at ext. 143, by email shamilton@whitewaterregion.ca or register on our website under Projects/Business Retention and Expansion Project.

BURN PERMITS

There are four classes of permit:

- Recreational (burn barrels are not permitted in villages and hamlets)
- Open Air
- Special/Agricultural (requires site visit by Fire Chief or designate before being approved)
- Campground Exemption.

Permits for all classes can be obtained online. Call the Municipal Office at ext. 139 for help.

PEDESTRIAN CROSSOVERS (PXO)

A pedestrian crossover is a designated crossing area that allows pedestrians to safely cross the road where vehicles must yield to the pedestrian.

Pedestrian crossovers are identified by specific pavement markings and crossing signs. At pedestrian crossovers, drivers including cyclists must stop and yield and, only when pedestrians have crossed and are safely on the sidewalk, can drivers and cyclists proceed. A crossover is different from a crosswalk as a crosswalk is usually found at an intersection with traffic signals or stop signs.

The Township currently has 7 pedestrian crossovers located in Beachburg, Cobden and Westmeath.

There are 4 types of PXO which are listed as type "A", "B", "C" or "D". The Township currently has type "C" and "D" pedestrian crossovers. The major difference between the two crossings is that a type "C" crossover has rectangular flashing beacons (RRFB) to warn motorists.

PUBLIC SKATING

March Break and Public Skates will be taking place in the month of March in Cobden, Beachburg and Westmeath. Please visit the Township website for the schedule.
