

January 26, 2021

Dear Resident,

At the beginning of summer 2020, the Township of Whitewater Region retained Jp2g Consultants Inc. (Jp2g) to commence the design for Olmstead-Jeffrey Lake Road rehabilitation.

Project Description

The project includes 7.2km of Olmstead-Jeffrey Lake Road from Highway 17 to Magnesium Road (County Road 48) shown graphically in the attached key map.

The construction project consists of grading, replacement of the hard surface, culverts, and guard rails. Safety will be addressed by improving sight distances, reducing speed, standardized roadway widths and signage.

Project Result and Timing

The project is currently in the design stage and construction is planned to begin spring/ summer with completion in fall of 2021.

Funding

Council of the Township of Whitewater Region has funded the construction of Olmstead-Jeffrey Lake Road in the 2021 budget through a long-term debenture.

Public Involvement

The virtual public information session will be held on:

Date: Wednesday, February 10th, 2021
Time: 6:00 p.m.

The purpose of this information session is to present the scope of the project and to obtain public input on the project. The meeting link can be found on the Municipal website at www.whitewaterregion.ca/projects.

Representatives from the Township and Jp2g will be available to discuss the project, answer questions and receive comments.

Future Notices

All future notices for this project will be conducted by email and on the Township's website. The Township encourages you to register to receive e-

(613) 646-2282
