

May 5, 2022

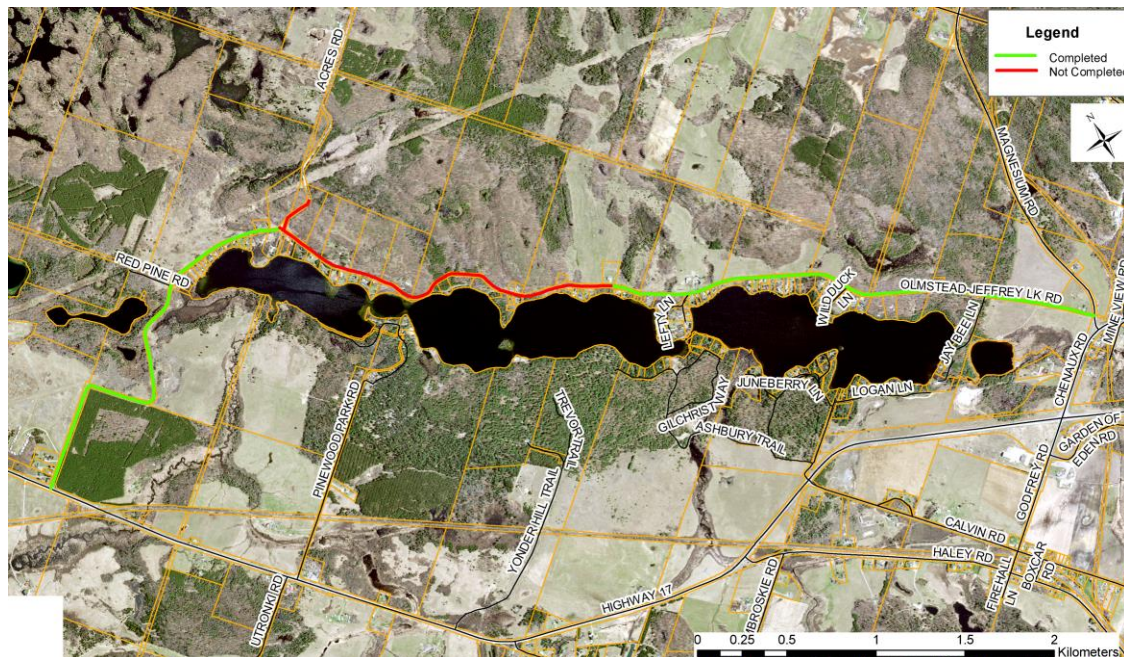

Dear Resident,

Project Update

Thomas Cavanagh Construction Ltd. (Cavanagh) will be returning Monday, May 9th to complete the rehabilitation of Olmstead-Jeffrey Lake Road.

In the fall, double surface treatment (DST) application was applied to approximately 70% of the total project length of 7.2km on Olmstead-Jeffrey Lake Road (See map below). The remaining 2.0km section that did not received DST is approximately from Acres Road to #562 Olmstead-Jeffrey Lake Road along with the 0.2km section of Acres Road will be completed in the coming weeks.

Cavanagh will also be completing deficiencies this spring and if you have any issues with your property, please contact that project manager below.

Schedule

- Concrete curb and gutters: Week of May 9th
- Regrading of gravel sections: Week of May 16th
- Double surface treatment (DST): Week of May 30th
- Asphalt driveway tie-ins: Week of June 6th
- Top soil and grass seed: Mid June
- Line painting: End of June

Road Closure and Traffic

Traffic delays can be expected as lane closures and flagging operations will be taking place daily. Road closures and detours are expected during the construction. Road closures will be communicated via Municipal 511 www.municipal511.ca.

Access and Parking

The construction should not impede the access to your property but may provide some interruptions such as when the contractor is paving driveways. In the event, that your driveway is not accessible, the contractor will provide notice to yourself 24 hours in advance.

Garbage and Recycling

Curbside garbage and recycling collection will remain the same practice, but the contractor may bring bags and containers to a central location for pickup. Your containers will be returned to your property after collection. We ask that you mark your address on any cans or containers.

Questions and Concerns

If you have any concerns or questions related to the project or your property, please let us know by contacting the project manager noted below.
