

September 13, 2021

Dear Resident,

Construction of Westross Road will be starting September 14th.

Project Description

The project consists of Westross Road from Hydro Bay Road to Zion Line.
(See key map)

The 2.7km rehabilitation project consists of the following:

- Culvert Replacement
- Granular Base
- Double Surface Treatment (DST)

Schedule

Township staff have replaced half of the culverts that are due for replacement earlier this summer and will continue to replace the remain culverts on September 14th. At the same time the existing double surface treatment will be removed, and new granular material will be added.

Greenwood Paving is schedule to install the double surface treatment during the week of October 4th.

Construction Location

The construction will take place within the Township's right-of-way but may result in some disruption to your private property. Driveways may be disturbed but will be reinstated as soon as possible at no cost to you. However, if you have any assets located within the Township's right-of-way that you want to preserve, we suggest that you relocate these items in advance of the construction work.

Road Closure and Traffic

Traffic delays can be expected as lane and road closures will be taking place daily. Please visit www.municipal511.ca for road closures and traffic restrictions.

Garbage and Recycling

The construction project will not affect your curbside garbage and recycling collection.

Questions and Concerns

The Township will take every precaution to minimize interruptions to the normal life of your family, but as you can appreciate, there may be some inconvenience during the construction.

Council and Township Staff would like to thank you in advance for your patience with the upcoming construction. If you have any concerns related to the project or require special accessibility accommodations, please let us know by contacting the project manager noted below.
