PUBLIC NOTICE OF PESTICIDE USE

The Township of Whitewater Region will be using **Wagar & Corput Weed Control Inc.** to spray for noxious weeds along rural roadsides between July 1-31, 2025 (weather permitting). Spraying will follow regulations under the Pest Control Products Act and the Pesticides Act, specifically for areas near farmlands as per the Weed Control Act.

Pesticides to be used:

- ClearView Herbicide (Reg. #29752): Metsulfuron-Methyl & Aminopyralid
- Gateway Adjuvant (Reg. #31470): Paraffinic Oil & Non-ionic Surfactants

2025 PUBLIC WORKS PROJECTS

The reconstruction of Grants Settlement Road has been cancelled in 2025 due to staffing level changes in the Public Works Department. Council approved reallocating funds budgeted to rehabilitate Mine View Road from Magnesium Road (County Road 48) to Foresters Falls Road (County Road 7) with a total length of 8.9 km.

WE WANT TO HEAR FROM YOU!

The Township of Whitewater Region is currently updating its Asset Management Plan (AMP). Asset management helps the Township make decisions about the service delivery of our infrastructure and assets, such as roads and buildings. This survey is an integral part of meeting the Townships' obligations with the provincial regulation and will help guide future Council decisions.

The survey closes on August 8th, 2025.

ARENA ADVERTISING OPPORTUNITIES

Advertising space for the upcoming season is once again available at the Cobden Astrolabe, Beachburg, and Westmeath arenas. These well-used community spaces welcome skaters, families, and visitors throughout the year, and advertising offers a simple way for local businesses to be part of the action.

A variety of advertising spaces are available, including rink boards, wall signage, and banners.

For more information about these advertising opportunities, contact:

- Cobden:** akent@whitewaterregion.ca
- Westmeath:** wdra@nrtco.net
- Beachburg:** beachburgrec@nrtco.net

PUBLIC WORKS ENVIRONMENTAL

Curbside waste collection of garbage and recycling will shift forward by one day during the weeks of August 4th and September 1st, due to the Civic & Labor Day Holiday's.

Did you know that as of July 1st 2025, the management and delivery of the Blue Box collection program is changing? Circular Materials Ontario and their contractor Miller Waste Services will become fully responsible for the Blue Box program in Whitewater Region. Should you have any questions or issues related to the Blue Box recycling collection program, please contact Miller Waste Services 1-855-752-3257 or by email Area3@millerwaste.ca

Did you know that the Townships new Sewer-Use By-law requires that all downspouts be disconnected from the sanitary sewer by October 1st, 2025? Stormwater that enters the sanitary sewer can overwhelm the system and lead to sewer back-ups. Water from downspouts should be discharged to a permeable surface on your property for infiltration into the ground.

HOUSEHOLD HAZARDOUS WASTE DEPOT

Located at the Renfrew landfill - 376 Bruce Street. The Household Hazardous Waste (HHW) depot is open to all Whitewater Residents from May 3rd to August 30th for the disposal of hazardous waste.

Please note that there will not be a HHW Depot event day held in Whitewater in 2025. Please note the hours of operation at the Renfrew Landfill have changed since the publishing of HHW information in Whitewater's waste collection calendar. The new hours of operation are:

RENFREW LANDFILL HOURS

Tuesday, Wednesday, Thursday: 8:30am - 4:00pm
Friday & Saturday: 8:30am - 2:00pm

For a full listing of the items that can be taken to the Renfrew HHW depot for safe disposal, please scan the QR code here:

FINAL PROPERTY TAXES

Final property tax billing will be sent out in the coming weeks (pre-authorized payment plans available)

due dates August 29, 2025
