

I do here by propose to the  
Municipal <sup>Comm. Sec.</sup> of Westmeath to build a  
Road on the government line between  
Lots twelve and thirteen in  
concession West front of ~~the~~  
that is to say commencing at Marcote  
Head and extending back fifty  
chains in length on said line towards  
Henry's Promises

Specification  
of said work to grub and clear  
twenty two and a half feet wide to  
turnpike sixteen and a half feet wide  
where turnpiking is required also to  
fill or cross lay with logs and brush  
where it may be required and on  
said turnpike the logs to be sixteen feet  
long pipe or cedar

ditches to be three feet wide  
at top and two feet deep and two  
feet broad in the bottom

the whole work to be subject  
to inspection of the Road  
Surveyor according to this agreement

The above work is to be performed  
by Jasant Ceall according  
to Specification providing the  
Cooperation of Westmeath will  
give up the road now traveled to him  
as soon as the government Road  
allowance is in a fit state for the  
Public travel  
Jasant Ceall  
mark

Instant Order  
agreement to  
Make the Road  
on the Road allow  
ance for
