

County Treasurers Office  
Pete 5<sup>th</sup> July 1864

A. Cannon Esq  
Clerk

Wilmouth

Dear Sir

Referring to my list  
sent off yesterday received by last mail the defaulters  
on the Collectors Roll 1863. amongst the number I find  
Edward Thompson North or W<sup>th</sup> 4. 3. for \$4 86.  
which you will please add to the amt sent but if  
the Collector did his duty last year and not recover  
the Taxes for the year past I do not see how he is  
to get the arrears, when put on the Roll?

There is also a default on No 1. 4<sup>th</sup> Concession  
James Robinson 150 acres for \$5.27 but whether  
these belong to the portion apportioned against Weedham  
for '58-'59. 60 already sent you, I cannot say trusting you  
will be able from your better acquaintance with the parties  
to locate the matter satisfactorily.

I am

Dear Sir

Yours respectfully  
W. Fraser  
C<sup>o</sup> Treasurer

County Treasurer  
5<sup>th</sup> July 1864  
Concerning list of Lands  
liable to be sold for  
Taxes.
