

40  
To The Honble The Municipal Council  
of The Township of Westmeath in Council  
Assembled

Gentlemen

The petition of Noire Oupuis, Eusebe Melancon  
And others of The Township of Westmeath respectfully  
sheweth that the said Noire Oupuis and  
Eusebe Melancon have neither egress nor ingress  
to or from their places by any public highway  
and that by the line of road laid out in the  
original Survey of the Township between lots  
No. 5 and 6 Coulange Front being opened up  
they would have a means of doing so. We your  
petitioners humbly request that the said line  
of road be established at as early a period as  
is possibly convenient and your petitioners will  
ever pray -
