

Westmeath Octr 14<sup>th</sup> 1863

Sir, - I duly received your note enquiring to know if I am willing to have a Road which has been petitioned for pass through my land. And in reply, I beg to state that I am not willing, nor will I consent to it.

If the law is so that a Road can be forced thro my land from one Con<sup>n</sup> line to the other, then of course I cannot help it, but if I can prevent it I am determined to do so.

I am Sir, - &c

W. Cannon Esqr

L<sup>y</sup> Clerk Westmeath
