

Westmeath April 15<sup>th</sup> 1865

To the Reeve and Councilors  
of the Municipality of Westmeath  
in Council assembled

Gentlemen

I have been  
notified by Mr W<sup>m</sup> Cannon  
Township Clerk that you  
have appointed me pathmaster  
of the South road division

I hope your honourable  
body after due consideration  
of my objections, will have the  
goodness to annul the appointment

I am a servant man  
and work in Mr Chamberlains  
Tannery, it will be very inconvenient  
for him to spare me so long from his  
work, and I feel myself incompetent  
to fulfill the duties it imposes upon me  
hoping your honourable body will grant my  
request

I am Gentlemen your  
Obt. servt. Arch<sup>d</sup>. Wilson

Petition
