

(Circular.)

MILITIA DEPARTMENT,

ADJUTANT GENERAL'S OFFICE,

Quebec, 19th. January, 1865.

SIR,

I beg to request that you will call the attention of the Assessors of the Municipality, in taking the Annual Assessment, to the requirements of the 6th. Section of the Militia Act of 1863, particularly with respect to the filling up correctly the three additional columns required, with the *Names* and *Residences* of First and Second Class Service-men and Reserve-men, respectively.

By reference to Sub-Section 1 of Section 25, it will be seen that the Battalion Rolls of the Ballot of the Service Militia must be defective if the Municipal Rolls, from which the County Rolls are prepared, do not show in the proper columns the Class to which the parties respectively belong, or if the residences are not specially designated by "lot, concession or range," &c.

I have the honor to be,

Sir,

Your most obedient servant,

W. POWELL,

Lt.-Colonel,

*Deputy Adjutant General of Militia,
Upper Canada.*
