Norman Reid Esq  
Westmeath  
Dear Sir

Mr. Alex Bromley was in to-day  
to get a deed to the Corporation of Westmeath of  
a part of lot 5 in 2<sup>nd</sup> Con. C. h. 7 for a road.  
He explained the road was to be 35 feet-  
wide - You have no power to open a  
highway less than 65 feet - without the per-  
mission of the County Council see section  
630 Municipal Act - page 2627 - The  
County Councils formerly have refused to  
consent to a road less than 40 feet - and  
they have a By-law to that effect - What this County  
Council would do I do not know: it meets next  
Tuesday & we might try them: if they won't you will have  
to make it 40 feet & get their consent & I will  
want a Surveyor's description in any case.
