Dear Friend

I was speaking to Mr Hurst
about those two lots of yours
on McKay Street; and he
advised me to write to you
as he did not know what
terms you wish to make
on them. I would like very
much to see your self
here as you could see the
condition the lots are in
but if it is impossible
please let me know by
return mail what you
are wanting for them.

of finding you at all

to day and he gave me

up a bargain for Mr Bigg
lots across from yours but
if possible I would sooner
have yours so please let
me know by return mail
and oblige Mr Harry
