V., certain Municipalities are authorized to prepare and approve a By-Law or By-Laws designating any highway or highways therein as a road or roads to be constructed or improved in accordance with the regulations of and under the supervision of the Department of Lands and Forests.

And Whereas after a By-Law, as aforesaid, has been approved, as provided in the said Colonization Roads Act, and upon the completion of a work of road improvement in pursuance of the aforesaid Act, or at any time during the progress thereof, and a statement has been submitted by the Council of the Municipality undertaking the work, to the Department of Lands and Forests, setting forth the cost to date, together with the Declaration of the Treasurer of the said Municipality that such statement is correct, and on the receipt by the Provincial Treasurer of such Statement and Declaration, with a Report and Certificate of the Inspector of Colonization Roads for the district in which the work is situated, or an engineer of the Department that the said work is in accordance with the aforesaid By-Law, and the regulations of the Department of Lands and Forests, certified and approved by the proper officer of the Department of Lands and Forests, the Lieutenant-Governor-in-Council may direct the payment to such Municipal Corporation, as aforesaid, out of the funds voted by the Legislature for that purpose, a sum not more than two-thirds of the amount of the estimated cost thereof;

And Whereas under the authority of the "Municipal Act of Ontario," the power is given to Municipalities to assess and levy a rate or otherwise provide a sufficient sum to defray the cost of road construction and improvement within the Municipality;
