

CORPORATION OF THE TOWNSHIP OF WESTMEATH

BY-LAW NO. 778

A by-law to authorize the construction and installation of a well, pumps, pump-house, a feeder main and storage tanks, together with watermains, hydrants and private services on the following streets:

- (1) An eight-inch main on _____ Street from 1700 ft
WELL to CNR Crossing
- (2) A six-inch main on Pembroke-Ottawa Road Street from
C.N.R. to Dufferin Street
- (3) A ^{six} ~~four~~-inch main on Pembroke-Ottawa Road Street west 3412'
Pembroke-Ottawa Rd. south 457' to _____

as a local improvement under the provisions of the Local Improvement Act.

WHEREAS Garnet Dougherty and others have petitioned the Council to construct, as a local improvement, the work hereinafter described, and the Clerk has certified that the petition is sufficient; and

WHEREAS by its By-Law No. 11724 the Council has defined an area to be known as "The Beachburg Water Area" and has provided that the cost of the work, including debenture charges and the cost of maintenance and management of the work, shall be assessed and levied on the rateable property of the said area; and

WHEREAS it is expedient to grant the prayer of petition in the manner hereinafter provided;

THEREFORE, THE MUNICIPAL COUNCIL OF THE TOWNSHIP OF WESTMEATH ENACTS AS FOLLOWS:-

1. THAT a well, pumps, pump-house, a feeder main and storage tank be constructed as a local improvement under the Provisions of The Local Improvement Act, together with watermains, hydrants and private services, on the following streets:

An eight-inch watermain on Jennings Street from
well to CNR Crossing, etc.

A six-inch watermain on Cobden Road 600' Street from
Cameron Street 775' to Hume Street 465', etc. Dufferin St

A four-inch watermain on Pembroke-Ottawa Road Street from
Dufferin St to Morris, etc.

and that the cost of the work, together with the cost of maintenance and management thereof, shall be assessed and levied on all the rateable property in "The Beachburg Water Area"

2. THAT the Engineer do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the carrying on of the work.

3. THAT the work be carried on under the supervision of such Engineer.

4. THAT the Reeve and Clerk are authorized to cause a contract for the construction of the work to be made and entered into with some person or persons, firm or corporation, subject to approval of the Council to be declared by resolution, unless the Council decides by resolution to carry on the work by day labor.

5. THAT the Treasurer may, subject to the approval by Council, agree with any bank or person for temporary advances of money to meet the cost of the work pending its completion.

6. THAT the debentures to be issued to cover the cost of the work when completed shall bear interest at such rate as the Council may determine, and be made payable within twenty years on the instalment plan.

READ a first and second time this 5 th day of August A. D. 1954.

READ a third time and passed this 9th day of February A. D. 1955.
