

THE CORPORATION OF THE VILLAGE OF COBDEN

BY-LAW NO. 929

A BY-Law to establish a sewer service rate to pay for the maintenance and operation of the sewer system including plant.

WHEREAS pursuant to Sec. 389 of the Municipal Act the Council of the local Municipality may impose upon owners or occupants of land who use a sewer, sewer system or sewage works for carrying away sewage or land drainage a sewage service rate to pay for the annual cost of maintenance and operation of the work.

NOW THEREFORE be it enacted and the Municipal Council of the Corporation of the Village of Cobden enacts as follows:-

1. A sewage service rate shall be charged and levied against all owners or occupants of land who are connected to the sewer system of the Village of Cobden to cover all the cost of maintenance and operation of the said system including plant.

2. The said rates shall be billed and collected on the same bill as the water bill and may vary according to the estimated funds required. The said rate shall be levied and collected by the Treasurer of the Municipality or such other person as may be designated by the Council from time to time in the same manner and on the same dates as the water rates are levied and collected.

3. The initial rates chargeable shall be as follows:-

- 128 - 5/8" ^{WATER} Sewer connections @ \$8.00 per year
- 4 - 1 1/4" @ \$ 8.00 each apt
- 2 - 2" @ 25.60 ^{51.20} per year

amended 938 (May 10/53)

amended By-Law # 938

(2)

4. The said rates hereby imposed shall be collected from and after the first day of January 1953.

5. The said rates shall be a lien and charge upon lands and if the same or any part thereof remains unpaid after the due date, the amount unpaid may be collected by distress upon the goods and chattels of the owner or occupant in arrears; or the clerk of the Municipality upon notice to him of amount due, the person by whom it is due and the land upon which a lien is claimed, shall enter the same upon the collector's roll and the collector shall proceed to collect the same in the usual way, as nearly as may be, as Municipal taxes are collected.

6. The cost of maintenance and operation under this by-law shall not include any part of or payment on the capital cost of the work or any sum for capital improvement thereof or for any depreciation, obsolescence, deferred maintenance or other fund or reserve created with respect to the system.
