

BY -LAW # 1085

A by-law to ammend by-law # 913

BE IT ENACTED and it is hereby enacted that section 16 of this by-law is hereby recinded in its entirety and the following be substituted therein.

Tapping water mains, connecting & laying services or pipe.

Between the water main and the street line any new service or any repairs, renewals, alterations or additions to the existing services shall be laid or made only by employees of the Corporation of the Village of Cobden or its delegated representative, The cost of installing any new service as mentioned above shall be borne by the corporation providing that the consumers property is adjacent to the street line along which the corporation has a water main. The Corporation accepts no responsibility to bring the service to any particular point on the property line, but reserves the right to construct the service in the most economical manner. The Corporation also reserves the right to refuse ~~XXX~~ connection during the winter months.
