VILLAGE OF COBDEN

By-Law No. 1196

A by-law to permit maintenance
of a chimney now erected on part
Lot 345, Main Street, Cobden.

BE IT ENACTED AS FOLLOWS:

1. That the Corporation of the Village of Cobden hereby allows the owner or owners for the time being of the store building now standing upon Lots 345 and 346, on the southerly side of Main Street in the Village of Cobden, to maintain a brick chimney as now constructed on the easterly side of and adjoining said building, notwithstanding that said chimney occupies and encroaches on a joint driveway extending eleven feet in width southerly from Main Street for the joint use of the owner or owners of said store property, and the said Village in respect of its property standing immediately to and adjoining on the east of said store property.
2. Hereto attached and made part of this by-law is a plan showing said store building, the said driveway or right-of-way and the said chimney near the north east corner of said building.
3. This permission shall stand during the pleasure of Council.

ENACTED this 2nd day of August 1963.
