

A By-Law to regulate parking on the Main Street, Village of Cobden.

Whereas it is necessary to provide by By-Law regulate the style of parking on Main Street.

and Whereas the Provincial Police have recommended that parking on Main Street should be parallel to improve through traffic,

and Whereas it is advantageous to have parallel parking on both sides of Main Street,

and Whereas signs will be erected to advise the public of the change.

Be it resolved that the Council for the Village of Cobden approve and enact that " Parallel Parking shall be in force on both sides of Main Street, Village of Cobden "
