THIS INDENTURE WITNESSETH that in consideration of the premises and the covenants, conditions and payments hereinafter set forth, the parties hereto agree pursuant to subsection 1a of section 17 and sections 18 and 52 of The Ontario Water Resources Act as follows:

1. The Previous Agreement is amended to prescribe that it shall remain in force until the date this agreement comes into force, and in any event until all obligations to the Crown of the Municipality have been discharged to the satisfaction of the Minister of the Environment.

2. Subject to the provisions hereof being complied with by the Municipality, the Minister of the Environment certifies that the provisions of the Previous Agreement have been satisfactorily discharged.

and in any manner connected with, caused by or attributable to the entry into of this Agreement, the performance or the failure to perform the terms and conditions hereof or the design and provision and operation of the Works and whether arising before or after this Agreement comes into force except to the extent that the Crown is indemnified under a policy of insurance part or all of the premiums of which have been charged to the Municipality and except to the extent that the Crown is able to recover and does recover such amounts from third parties.

5. (1) Such inventory or listing of the moveable property, including petty cash, shall be made as is required to satisfy the auditors and financial branches of the Crown and the Municipality.
- (2) The Municipality will issue cheques to the Treasurer for the amount of any account for petty cash and any account of the Crown for deposits on containers after receiving invoices therefor from the Crown.

(2) On receipt of the debentures referred to in subsection 1, C.M.H.C. will deliver to the Treasurer for cancellation the debentures listed in Schedule "C".

8. Arrangements will be made on an individual basis to transfer or replace any contracts relating to the Works for continuing matters such as the supply of utilities or chemicals.

(3) Notwithstanding subsections 1 and 2, the Crown shall keep all of its insurance policies relating to the Works in force until at least the later of the effective date of this agreement or the day on which the agreement is approved by the Ontario Municipal Board.

- (4) The insurance policies referred to in subsection 3 are those which the Crown from time to time maintains in force with respect to water works of the same type as the Works.
10. The Crown will provide technical advice when required by the Municipality with respect to the maintenance, operation and repairs of the Works and also laboratory assistance as required in a manner which is not less favourable than is supplied from time to time in similar circumstances to other Municipalities with respect to their water works.
11. This agreement is subject to the provisions, as they may be amended from time to time, of the Ontario Water Resources Act and the Regulations thereunder and any substitutions therefor.
12. This agreement and the covenants, provisos and conditions herein shall enure to the benefit of and be binding upon the respective successors and assigns of each of the parties hereto.

IN WITNESS WHEREOF the Crown and the Municipality have caused this agreement to be executed by the affixing of their proper seals attested by the signatures of the proper persons duly authorized in that behalf.
