

CORPORATION OF THE VILLAGE OF COBDEN

BY-LAW #1990-7

BEING a by-law to authorize the upgrading and operation of a waterworks system pursuant to Part 1, of The Public Utilities Act, R.S.O. 1980, Chapter 423, as amended.

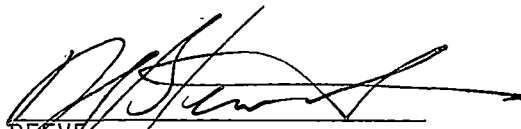

WHEREAS, the Council of the Corporation of the Village of Cobden deems it necessary and in the public's interest that the waterworks system be upgraded and operated to service the Village,

AND WHEREAS, engineering studies and professional opinion have been obtained with respect to the necessity, utilization, design criteria and related matters with respect to the said project,

NOW THEREFORE, the Council of the Corporation of the Village of Cobden enacts as follows:

1. That the upgrading and operation of a waterworks system, as described in Schedule "A" attached hereto, be hereby authorized.
2. That the plans, studies, engineering and design criteria and construction proposal of such system be approved.
3. That the construction of the said system shall be carried out under the supervision of the Ministry of the Environment.
4. That the Corporation of the Village of Cobden, by resolution, accept the tender or tenders of a person or persons, firm and firms, corporation or corporations as may be acceptable by council and authorizes the Reeve and Clerk to enter into and execute contracts on behalf of the Corporation before any construction is carried out, based on such tenders.
5. That the debentures of \$393,000.00 to be issued for the loan to be effected to pay for the cost of the system when completed shall bear interest at such rate as council may determine and the debentures shall be payable over a period not exceeding 20 years.
6. That the estimated cost of the system is described in Schedule "B" attached hereto.
7. This by-law shall not take effect until the approval of the Ontario Municipal Board is obtained.

READ a first, second and passed upon the third reading this 10 day of April, 1990.
