

CORPORATION OF THE VILLAGE OF COBDEN

BY-LAW # 1991-28

A BY-LAW FOR THE ESTABLISHING, MAINTAINING AND REGULATING THE DISPOSAL OF GARBAGE, REFUSE AND OTHER WASTE MATERIAL WITHIN THE LIMITS OF THE VILLAGE OF COBDEN

WHEREAS IT IS DEEMED expedient to regulate land used for the disposal of refuse with the Village;

AND WHEREAS the authority to do so is conveyed by the Municipal Act, R.S.O. 1980, Chapter 302, Sections 210 (83) to (86), and 210 (129);

AND WHEREAS authority to penalize and enforce such a By-law is conveyed by the Municipal Act, R.S.O. 1980, Sections 321 and 323;

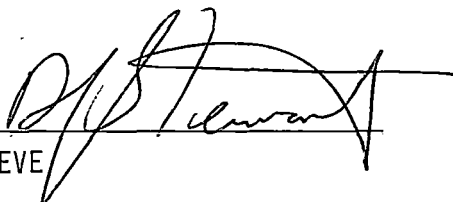

NOW THEREFORE the Council of the Village of Cobden enacts as follows:

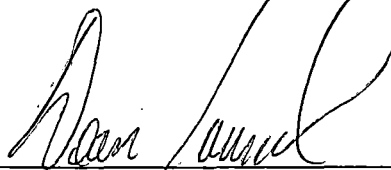

1. In this by-law
 - (a) "Village" or "Corporation" shall mean Corporation of the Village of Cobden
 - (b) "Attendent" shall mean the person duly appointed to supervise and control all operations on the waste disposal site,
 - (c) "Waste" shall include non-toxic ash, domestic waste, industrial waste that is non-toxic, Municipal waste that is non-toxic, general refuse, and such other waste as may be designated by the Council of the Village.
2. The Corporation shall operate a waste disposal site located in an area so designated by the Corporation in Part of Lot 14, Concession 2 in the Township of Ross.
3. The waste disposal site shall be available for the disposing of waste produced by the residents and property owners of the Village. Collection type vehicles may only deposit garbage created within the Village.
4. No person shall use any land within the boundaries of the Village of Cobden for disposal of waste, save and except private composting, the land so designated in Section 2 of this by-law.
5. All garbage shall be wrapped or placed in containers, and all paper shall be wrapped or tied to prevent scattering before being deposited in the landfill area. Materials conveyed to the area must be transported in such manner as not to blow with the wind or leave deposits along the roads.
6. Unloading of refuse shall be continuously supervised by the Attendent of the landfill area.
7. Salvaging may be permitted during normal open hours; scavenging shall not be permitted.
8. No person shall enter the waste disposal site except when the Attendent is on duty or accompanied by a town employee.
9. The waste disposal site shall be open at the posted hours determined by the Village. (Schedule A)
10. No person shall unload or dispose of any of the following types of waste in the waste disposal site:
 - (a) raw sewage, animal or human waste
 - (b) explosive or highly combustible materials
 - (c) Paint, paint thinners and batteries

- (d) any radioactive waste
 - (e) dressings, bandages or other infected materials from hospitals, surgeries or other offices of physicians, surgeons, dentists or veterinarians or other pathological waste.
 - (f) drugs or dangerous chemical waste
 - (g) hay, straw or manure
 - (h) carcasses or parts thereof of any dog, cat, fowl or other creature with the exception of bona fide kitchen waste
 - (i) oil, waste oil or gasoline soaked materials
 - (j) motor vehicles and snowmobiles
11. Burning will not be allowed in the landfill trenches of solid waste. Segregated brush and lumber will be burnt in a separate part of the site under supervision in accordance with the Ministry of Natural Resources guidelines.
 12. The Attendent may turn away waste he deems to be hazardous. The Attendent may request identification (Schedule B) of persons using the dump site to determine if they are ratepayers of this municipality. The municipality is responsible for issuing identification cards to each ratepayer or a lessee. This card shall be presented to the Attendent before admission is allowed.
 13. Should a forced entry be made, then the licence number of the vehicle shall be used for the purposes of identification.
 14. The Sanitary Landfill Area shall be fenced and a gate or cable shall be erected in conjunction with the fence to control admission to the area. The gate or cable shall be kept in good condition and equipped with a lock.
 15. On-Site roads shall be maintained so that operating traffic and landfill operations will not be interrupted.
 16. Every person, firm or corporation who contravenes any of the provisions of this by-law is guilty of an offense, which offense shall be recoverable pursuant to the provisions of the Provincial Offences Act, R.S.O. 1980 Chapter 400.
 17. All regulations passed in pursuance of the Environmental Protection Act 1971 as amended shall be complied with in the operation of the waste disposal site.
 18. The Municipality shall post a tippage fee and a schedule of charges for the waste disposal site.
 19. No person shall interfere with, hinder or molest the Attendent of the Corporation in the performance of his/her duty.
 20. All by-laws of the Corporation inconsistent herewith are hereby repealed.

This By-law shall become effective on January 1, 1992.

READ a first, second and passed on the third reading this 15 day of October 1991.
