Foresters Falls Apr 9 - 28

a Special Meeting of Council was held at the
bridge across Mc Norton creek near Blime kiln
present Motam, Wilson, Wallace and Reeve
Jamieson

The bridge here was in bad shape and
impassable, one pier having dropped down
out of place due to the heavy flood of
Apr 7. It was decided by Council that
to make provision for traffic in the mean
time that a temporary crossing be made
be made on the present site of the bridge
and when the water has subsided it may
more readily be seen what had better be done
for more permanent work

Mr. Motam & Wilson agreed to oversee the
fixing of break for the present
