

Foresters Falls, Ont. May 15th 1968

A special meeting of council called on this date to consider debentures for proposed addition to Minerva school and consider buying more land for Holey dump.

In regard to the debenture issue the council wished to have certain points clarified in the estimates and requested the School Board to return same to the architect to have him clear up certain points after which it would be given further consideration.

In respect to the Holey dump it was moved by H. Pelgrim seconded by Leo Pathwell that Council rescind former motion to purchase three acres of land from Gibbons Brothers at a price of six hundred dollars and that this new motion now read to purchase six acres of land for dump site in the Holey area from Gibbons Brothers at a price of eight hundred dollars.
