

March 9th 1972 meeting (Continued)

Moved by George Olmstead, seconded by H. Pilgrimage that Council call tenders for the supplying, crushing, hauling and spreading on Township roads of approximately 7,000 tons and 1000 tons off belt. Gravel to pass through a 5/8" screen, not more than 45% fines. Work to be completed on or before June 15th 1972.

Also, 7,000 tons of crushed gravel, more or less, same as above to be done at a later date. Contractor must strip all pits where necessary. Work to be done under the supervision of the Road Superintendent and to be subject to the approval of the Department of Transportation and Communications. Tenders to be received on or before April 4th 1972 at 1.00 p.m.

Meeting was then adjourned.

Forsters Falls, Ont. March 21st 1972

A special meeting was called on this date with the ratepayers concerned in the Stanley Black Municipal Drain.

Representatives from the Engineering Firm of Green, Galloway & Associates of Pembroke were present at the meeting and gave considerable information in regard to the project. It appeared debentures would be required to finance the project and the following Resolution was passed for this purpose

Moved by Geo. Olmstead, seconded by Leo Rathwell that Council give first and second reading to Drainage By-law No 607, to authorize the borrowing by debentures if necessary, the sum of \$45,511.00 for the above-mentioned project.

Meeting was then adjourned.
