

Forester's Falls, Ont.

June 11, 1973.

A special meeting was held on June 11, 1973 to meet with Mr. Bruce McRob, Ontario Department of Municipal Affairs to review the trailer camp by-law no. 945.

Subdivision was discuss. Mr. McRob advised that By-law #945, chp. 5, #5.15 and chp. 6, #6.2 be enforced. Improper use of garbage should be referred to Waste Management Branch also the Health Unit.

He suggested a "Planner" be considered at county level.

Also the townsite was discuss. Mr. McRob's advice was

- Any improvements to existing buildings go back to subdividers
- Any maintenance be charged back to the householders
- A consulting engineer should be requested at no charge to town.
- Engineer should advise - How to go about maintenance? Life expectancy of existing situation? Annual cost of up-keep?
- Developed must come up with an agreement.

It was decided to ask Jim Stephens to stay at least until the end of the week, June 15. Mr. Herb Ross was asked to assist the clerk-treasurer but salary was not set.

Meeting adjourned

Alden Mayhew Reeve  
H. L. Hood - clerk.
