

Forester's Falls, Ontario

June 11, 1974

Ross Municipal reconvened on June 11, 1974 to deal with business left over from the meeting held June 5, 1974 and all members were present.

Moved by Leo Rathwell and seconded by Jack Bell that the wage rate for the firemen for the year 1974 be adjusted as follows:

Week end duty	-	\$20.00
Long week-end duty	-	30.00
First call up to 2 hrs	-	10.00
Hourly rate after 2 hrs	-	5.00 per hour
Fire Chief	-	\$400.00 per year
Deputy Fire Chief	-	300.00 per year

Moved by Kay Bennett seconded by Barrie Ross that Council give the Waste Disposal Site, by-law # 1063 the third and final reading.

Council was advised that a dog <sup>+ cat</sup> clinic will be held in the Forester's Falls Fire Hall on July 27th, 1974 from 2 to 4 P.M.

Council requested that Calvin McLaughlin, dog tax collector, begin work on the 15th of June and work to be completed by September 1, 1974. Horses are included as a dog.

Meeting was adjourned.

Alden May Reeve  
H. L. Hood Clerk

Forester's Falls, Ont.

June 18, 1974

A special meeting of council was held on June 19, 1974 as a Court of Revision. The council acted as the Court of Revision for the meeting.

One appeal was heard.

The Engineer advised that the material may be used on the road. He estimated that 1100 yds of material could be used as well as 5300 yds outside the slopes. No material would have to be drawn away. It was suggested that it would go to tender if earth had to be taken away. Township is to strip top soil and payment to be made to them on tender price. Cost of trucking etc. to be charged to the drain. The Court agreed that if material had to be moved that the Township should not be charged.

Also the Court agreed that a fence in Hawthorn's field is the responsibility of the farmer.

Township is to do all the fencing on the road.

The Engineer offered to send <sup>separate</sup> information on the strip quantities.
