Forester's Falls, Ont.

March 8, 1977

A special open meeting was held on March 8th, 1977 to discuss the need for waterworks in the village of Forester's Falls.

Bob Dunn, representative from the Ministry of Environment and Jim Hatt, from the Renfrew County Health Unit were present to explain the steps to be taken to be eligible for grants. After a discussion it was decided to request the Health Unit to do a survey in the village for the quality and quantity of water available under the present conditions.

A letter was received from Ontario Hydro offering to sell their property at Sander Lake. Council agreed they would be interested in the purchase of this property provided the Hydro had clear deeds to the cottage series lots and those ratepayers did not want to purchase this land.

The meeting was adjourned.
