The regular meeting of Ross Municipal Council was held on April 8th, 1998 in the Council Chambers.

Present were Reeve Alvin Stone, Deputy-Reeve Jack Ferguson and Councillors Don Rathwell, Donna Campbell and Teresa Chapeski.

Reeve Stone called the meeting to order at 7:50 p.m. Campbell noted that the name of Rathwell was omitted as being present at the March 18th meeting. The minutes were adopted as amended.

Walter and Laverna Dodds were present for discussion on the closing, stopping up and conveyance of part of the unopened road allowance between Lots 15 and 16, Concession 3. The Notice was published in The Renfrew News for four consecutive weeks and posted in the neighbourhood of the proposed closing. There were no objections from the County of Renfrew or from any other person.

Daryl McLaughlin presented a letter and photos of a water situation which flooded his basement. Stating that this has never happened before and that the culvert was blocked, he is asking for compensation from the Township of Ross. Our solicitor will be contacted to determine the extent of our liability.

Fire Chief Dale Black brought Council up to date on purchases for the Fire Department. They have first chance on some used extrication equipment for sale at a good price which is guaranteed. Most of this equipment purchased in the past has been from Association funds. They also propose buying shirts and ties for the firemen.

Moved by Ferguson, seconded by Chapeski that Council of the Township of Ross approve General Account Voucher # 3 for \$ 248,185.24 and Waterworks Voucher # 3 for \$123.00 for the month of March, 1998.
