Forester's Falls, Ontario

April 30, 1998

A Special meeting of Council of the Township of Ross was held on April 30, 1998 to meet with two delegations and deal with unfinished business.

Present were Reeve Alvin Stone, Deputy-Reeve Jack Ferguson, and Councillors Don Rathwell, Donna Campbell and Teresa Chapeski.

Reeve Stone called the meeting to order at 7:30 p.m.

A delegation from Logos Land was present in the person of owners Jerrold and Janet Paxton and Kevin Cahill and Manager Bruce Coleman to familiarize Council and County Planner Charles Cheeseman with their future plans.

They want to build "Right to Occupy" cottages for senior housing on property which will be severed from the Park area and will be owned by a non-profit organization. They would build a road in to these housing units for possible takeover by the township.

As soon as possible they would like to start on construction of one two-unit cottage and three motel units.

Gert Zagler, coordinator of services for the County of Renfrew Ontario Works Program spoke to Council to explain what role they could play as a sponsoring organization. In Community Participation Placement, clients work in the community voluntarily and continue receiving benefits from Social Services. The sponsoring organization must not replace any of its current positions or any position previously held by a paid employee during the last two years.

Participants will not spend more than 70 hours a month taking part in community projects. The Township will consider using this program for putting up 911 signs.

Council decided that it was not feasible to purchase a tractor and mower at this time so local residents will be hired to cut the grass at different Municipal properties.

Moved by Rathwell, seconded by Chapeski that the meeting be closed at 10:10 p.m.
