Councillor Lowe stated that he had complaints regarding speeding on Robertson Drive. Placing speed bumps at each end of the street was discussed and it was decided a decision should be made at the next Council meeting. There were some concerns regarding snowploughing over these.

Councillor Wright wondered if there was any way to regulate potato chip wagons and it was decided that an Official Plan is the only way.

Councillor Somerville asked the Clerk to call the Building Inspector to see if a Building Permit is required for a swimming pool and if there are any safety standards which have to be met for them.

Vera Crescent was again discussed and since there has been no work done on it since the April meeting with the owner, Dave Norlock from M.T.O. and Mr. Mervin Olsheski, it was decided to send Mr. Vereyken a letter stating that the Village would not plough this street this winter.

Moved by Grant Somerville and seconded by Ron Lowe that this meeting of the Council of the Corporation of the Village of Beachburg hereby adjourn until Sept. 10, 1996. Carried.

TIME: 8:10 p.m.
