

Cobden Sep 22. 31

Special meeting of Council on the above date in  
clubs office. all present to discuss fire hall building  
and other business.

The discussion was mainly as to a one or two  
story building and specifications

Mr. Mr Wilson see Mr Collins that the building be  
two stories - space within ceiling & main  
ways lateral. Carroll

The club was instructed to write to Remick & Coomb asking  
them to come to order, see what was wanted and submit  
plans and price.

Piping for fire hose extension up Duff Hill was more  
discussed

Proposed by Mr Wilson see Mr Collins that pipe be laid to  
top of Hill. and that order be given as once and leave  
piping be ordered through H. Clark. with 4 unions and  
a length of 500 ft be ordered. Mr Wilson & Mr Boyer to  
measure up and Mr Wilson to give order. Carroll

No other tenders for coal Runin been received Mr Jones  
tender was accepted.
