

Nov 1/49.

Special Emergency meeting in Fri Hall. 5:30 pm. to discuss Engineer's Report on Waterworks & Sewerage System. Present Rev. Dr. Meyer. Councillors: Miller, Mackintosh and Mackley.

Report of C. B. Reid - Consulting Engineer's Report was discussed.

Report recommended action at once on a ditch along C.P.R. to relieve flood water.

Dr. Dr. Meyer proposed having a vote on 3 questions: ① waterworks, ② sewer, ③ both combined. Vote to be taken at Municipal election time in December.

It was proposed to hold a Public meeting on Nov 16 or 23 - at which Dr. Meyer and Dr. Reid would be asked to be present to address ratepayers.

All members present ^{Spoke} ~~expressed~~ ~~themselves~~ as being in favor of installing water and sewer systems as outlined in report.

Further information as to specific charges to each owner of property would be ^{asked} ~~asked~~ from Dr. Reid.

Moved by Dr. Miller sec by Dr. Mackley That we have 350 copies of report on waterworks, sewerage and drainage systems printed and delivered to the ratepayers of Colden. Carried. Meeting adjourned.

Next meeting Friday Nov 4/49.

R. B. Meyer
