

Jan 25/50.

Special  
~~Meeting~~ Meeting held in Council Chamber. 10 pm  
 all members present -

Meeting called to discuss charges and best  
 further procedure of water - sewer plans, with  
 Mr Burnett - (Chair for International Water Supply Co. Worcester)

Mr Burnett and Mr Hull arrived in Colden to  
 make plans and specifications -

after discussion - of charges, drainage problems,  
 and water supply - Council decided to proceed with  
 test drilling for water. Mr Burnett was asked to  
 hold up work on plans and specifications until result  
 of tests are known.

- ① Moved by Mr Burgess seconded by Mr Francis  
 That we the Colden Council do decide to spend  
 to the limits of £2500 in a test for water  
 supply for waterworks of the Village of Colden  
 pending the approval of Dyct. of Health.

The erection of a new building on Hall grounds  
 to house library was discussed -

The addition of a tower for drying hay was  
 discussed - Mr Francis proposed same be built  
 at rear of fire hall -

Mr Burgess brought up a point regarding Village  
 responsibility in post-sanitary care!

Meeting adjourned  
 N. B. W. Gifford  
 R. P. Parr  
 Clerk.

Jan 26 -

Mr Burgess instructed me to write Mr Reid  
 requesting him to contact International Water Supply  
 and have contracts sent to Reid and on to Colden  
 for Council approval to limit of 2500.

N. B. W. Gifford
