

Mar 28th

A Special meeting was held in Council Chamber on Monday Mar 28 at 10 a.m. In regards to Drilling test Hole for well present were
 Pres. Hon. J. C. Hager, Burgess, Munkley, and Beach.

Moved by Thos. F. Burgess Sec. By Nelson Beach that this Council go on record as that at the end of the second hole that we go to Blast the bottom of both holes, then if this be a failure we of water extractions are sufficient to warrant blasting, that we do so. then the consideration is on the third well as to where we will drill the third test hole. Unanimous opinion or resolution that we select in Middlebury field.
 Carried

meeting adjourn.
